

Urgent Need for Prayer In Escambia County

Reality of Our PBBA Community	Prayer Request	Aligning Scriptures
One-third of PBBA churches have 90% of their attenders above age 65 (with no rising generation, and the sustaining generation is quickly passing away).		
An estimated 230K out of 321K Escambia residents are non-Christian.		
The last church planted by a PBBA church was in 2007.		
Only 11K people out of 321K Escambia County residents attend PBBA churches on a given week (including over 1K who live outside of Escambia County).		
Most children in Escambia (17 and under) have no gospel foundation or Christian reference point to build upon.		
In 2019, Escambia had the greatest number of divorces and least number of marriages in 25 years.		

“The prospect of hell for our neighbors is real. The church has the only hope. There is no plan ‘B.’”
