

Legacy Giving

Since our founding in 1887, the Pensacola Bay Baptist Association has been focused on being a local conduit of Kingdom cooperation. As our area is growing, Kingdom opportunities are also increasing. Through your generosity today, you can better position PBBA to help churches make a growing impact for generations to come by...

- Memorializing or honoring someone special to you with your gift.
- Including PBBA in your estate planning.
- Supporting PBBA through plans that first allow you to establish financial security for yourself and your loved ones.
